Tee-Dee Want Ads. Bring Results.

There is a Reason Why.

These want advertisements pay the peo-
ple who are wise enough to take the advan-
tage of placing them in The Times-Dispatch.
There is another reason that we carry such
a number of them. The marvelous increase
in the number of these small ads. show that
they are the best investment for the money
offered in the whole city and State. This
page is read from top to bottom. It is one
of the most interesting parts of the paper,
for the simple reason that it shows in a
measure the wants of the people, shows
business investments that yield much to the
advertiser as well as to the reader. Have
you one in to-day? If not, you have missed
an opportunity to start the foundation of
what might be your success in the business
